Technical Parameters

Model	F1200
Power Variety	USB power supply
Working Voltage	5V±0.5%
Camera Type	CMOS
Resolution	1280x720pixel
Focus Range	3mm~26mm
Field Angle	77 degree
Illumination	6 white-light LED with 4000l brightness
Digitalized Intraoral Visualizer Size (without USB wire)	210mmX25mmX25mm
Digitalized Intraoral Visualizer Weight (without USB wire)	52g
Length of USB Connection Wire: 2 meters	2 meters
Operating Temperature:	5°C~40°C
Operating Relative Humidity	10%~85%
Operating Atmospheric Pressure	700~1060hPa
